

FAIR / FETE FESTIVITIES

Table at a fair and Save a Suffering Stray

**FUNDRAISING FOR SAVING SUFFERING STRAYS
HAS NEVER BEEN SO EASY.**

Events are being held throughout the year in your local area – schools, churches and local groups often hold fairs and fetes. They want people to rent a table to raise funds for their cause.

Why don't you take a table and support our cause too? What could be better than knowing your fundraising has saved some starving strays?

Plan your fundraising event by following these simple steps:

1. Check your local paper, shop windows, schools and groups for fairs and fetes being held in your area.
2. Book a table at the venue.
3. Advertise the fair, and your attendance, on social media. Invite friends and family to the event.
4. Organize what you intend to sell – cake sale, bric a brac, craft items, spring clean your house and sort out unwanted items, face painting, nail art - the choice is yours. Ask friends and family to donate items for you to sell as well.
5. Arrive in good time and set up your stall. Use our downloadable posters to advertise who you are raising money for.
6. Sell: **Make money and have fun!**
7. Donate: Send your donations using the details below

Donate via PayPal: enquiries@savingsufferingstrays.com

Or using our bank account:

Bank: Lloyds

Account name: Saving Suffering Strays Sarajevo – Milena Malesevic

Sort code 30-67-72

Account number: 23045962

Registered Charity Number 1191852

EXTRA FUNDRAISING IDEAS

- 🦴 Fill a jar with sweets and ask people to guess the number. 50p per guess. Nearest guess wins the jar.
- 🦴 If selling cakes bring a large Showstopper and ask people to Guess the Weight for 50p a guess. Nearest guess wins the cake.
- 🦴 Create a raffle basket of goodies and raffle it off.
 - 🦴 For a Christmas event, make up pet stockings and sell them to visitors.

Register your event by e-mailing enquiries@savingsufferingstrays.com
